

1 **(August 2, 2004)**

2 **Health Hazards**

3 Section 1-07.4(2) is revised to read:

4
5 This project site is known for occupation by transients and is known to contain
6 biological hazards and associated physical hazards. The worksite may include
7 materials and wastes associated with transients, drug users or litter, that pose
8 physical or biological safety and health hazards or both. These may include, but
9 not be limited to, violent and dangerous individuals (physical hazard), hypodermic
10 needles, food, garbage, clothing, bedding, broken glass, human and animal
11 excrement, drug paraphernalia, makeshift dwellings, birds, bats, rodents and other
12 hazards.

13
14 **Health and Safety Requirements**

15 The Contractor shall communicate with the Project Engineer to ensure a
16 coordinated effort for providing and maintaining a safe worksite for both the
17 Contracting Agency's and Contractor's workers.

18
19 **Construction Requirements**

20 The Contractor shall be responsible for the sanitation measures required to
21 provide and maintain a safe and healthful jobsite for the duration of the project in
22 accordance with all applicable laws and this Special Provision.

23
24 **Site Maintenance For Biological and Physical Hazards**

25 Cleanup of the site, including all preparatory work required to make the
26 worksite sanitary and safe in accordance with applicable laws, shall be
27 completed to address all biological and associated physical hazards present.
28 Necessary worker training, on and off site preparations, and safety equipment
29 shall be provided by the Contractor to complete the cleanup and disposal of
30 the biological and associated physical hazards.

31
32 **Periodic Site Maintenance**

33 The Contractor may elect to take some security measures such as lighting,
34 fencing, or security guards to ensure that the site remains safe and healthful.
35 The costs for these security measures shall be included for payment under the
36 lump sum price for "Site Maint. For Bio. And Physical Hazards". If the worksite
37 becomes unsanitary or unsafe due to biological and associated physical
38 hazards after initial maintenance work activities such that additional
39 maintenance becomes necessary, those costs shall be included for payment
40 under the lump sum price for "Site Maint. For Bio. And Physical Hazards".

41
42 **Payment**

43 Payment will be made in accordance with Section 1-04.1, for the following bid item:

44
45 "Site Maint. For Bio. And Physical Hazards", lump sum.

46
47 The lump sum contract price for "Site Maint. For Bio. And Physical Hazards"
48 shall be full pay for work to perform the site maintenance for biological and
49 physical hazards as specified, and all other related work as mentioned in this
50 special provision or as required by law, including the work described as
51 periodic site maintenance.
